

[#DAAdvisory](#) || As preparation for TY "BISING", the following activities are being done by the RFOs that will be affected by the tropical cyclone:

1. Activation of DA Regional DRRM Operation Centers;
2. Issuance of advisories to provinces thru the Agricultural Program Coordinating Offices (APCOs);
3. Close coordination with the Local Government Units counterparts, and other Regional DRRM-related offices in monitoring of the typhoon;
4. Monitoring of actual field situation for possible damage that may be incurred in crops and livestock;
5. Prepositioning of seeds of rice and corn; drugs and biologics for livestock and poultry

The DA-DRRM Operations Center will continuously provide updates regarding TY "BISING". For inquiries, you may contact (02) 8929-0140 / 09616965099.
