Whereas, a public bidding for the procurement of **Supply, Delivery and Installation of Solar Pump Irrigation** was conducted last April 13, 2015 at 10:00 am in the DA RFO 12 conference room, Zulueta Street, Koronadal City. It was presided by the BAC Chairman.

Whereas, the project has the **Approved Budget for the Contract (ABC)** of **Nine Hundred Seventy-Five Thousand Pesos (Php500,000.00)**;

Whereas, there were two (2) bidders who submitted their letter of intent and sealed bids for the **Supply, Delivery and Installation of Solar Pump Irrigation** to wit:

BIDDER	BID AMOUNT (read out)	BID AMOUNT (calculated)
1. Solazone Philippines Corporation	Php410,000.00	Php459,200.00
2. One Renewable Energy Ent. Inc.	Php499,674.00	Php499,674.00

Whereas, per bid evaluation of the Bids and Awards Committee (BAC) and the Technical Working Group (TWG), it was determined that **Solazone Philippines Corporation** met the minimum requirements and was declared as the bidder who submitted the **Lowest Calculated Bid** and subjected for Post-Qualification.

Whereas, per post-qualification of the TWG of all the submitted documents of **Solazone Philippines Corporation** it was found out that the latter was post-disqualified due to non-compliance of the following specifications:

Specifications / Requirements	Specifications Offered	REMARKS
Solar Power Module: 800 WP total Solar Power Module or its equivalent; ISO 9001 – certified CE marked; TUV certification (IEC 61215)	200 Watts Solar Panel 44 Peak – Voltage (Simax Brand): 10 years warranty; Certificate of CE marked is valid until March 03, 2015. TUV Certificate of factory production control is from (Suzhou) Green New Energy Co. Ltd. Is from February 3, 2012 to February 2, 2015	Not Complied
AMTEC Test Result for Pump and Solar	No attached AMTEC Test Result	Not Complied

Whereas, the Bids and Awards Committee (BAC) immediately notified **Solazone Philippines Corporation** in writing dated June 4, 2015 of its post-disqualification and the grounds for it;

Whereas, no motion for reconsideration was filed by **Solazone Philippines Corporation** within three (3) calendar days upon the receipt of the Notice of Post-Disqualification. Thus, the BAC initiated and completed the same post-qualification process on the bidder with the second Lowest Calculated Bid which was **One Renewable Energy Ent. Inc.**;

Whereas, Section 34.6, Rule X of RA 9184 states that *"Immediately after the BAC has notified the first bidder of its post-disqualification, and notwithstanding any pending request for reconsideration thereof, the BAC shall initiate and complete the same post-qualification process on the bidder with the Lowest Calculated Bid/Highest Rated Bid. If the second bidder passes the post-qualification, and provided that the request for reconsideration of the bidder has been denied, the second bidder shall be post-qualified as the bidder with the Lowest Calculated Responsive Bid/Highest Rated Responsive Bid."*

Whereas, per post-qualification of all the submitted documents of **One Renewable Energy Ent. Inc.**, it was determined that the latter was technically, legally and financially eligible and its bid was declared as **Single Calculated and Responsive Bid**;

Whereas, Section 36 (c), Rule X of RA 9184 states that *"A single calculated/rated and responsive bid shall be considered for award if it falls under any of the following circumstances":*

c.) *If after the eligibility check, more than one bidder meets the eligibility requirements, but only one bidder submits a bid, and its bid is found to be responsive to the bidding requirements; xxx"*
