Whereas, a public bidding was scheduled last December 9, 2015 at 9:00 AM. It was held in the Department of Agriculture, RFO 12 Conference Room, Zulueta Street, Koronadal City;

Whereas, there were two (2) bidders who submitted their letters of intent and sealed bids for the **Construction of Pinamulaan Diversion Dam** with the **Approved Budget for the Contract (ABC) of Five Million Three Hundred Twenty-Seven Thousand Three Hundred Twenty-Three Pesos and 98/100 (Php5,327,323.98)**, i.e.:

NAME OF BIDDER	BID AMOUNT submitted	BID AMOUNT calculated	
A.M. Ayunan Construction	Php4,740,896.62	Php4,740,896.20	LCB-Rank 1
Tri-vert Construction & Supply	Php5,011,340.00	Php5,011,348.83	Rank 2

Whereas, per bid evaluation of the Bids and Awards Committee (BAC) and Technical Working Group (TWG), it was determined that **A.M. Ayunan Construction** met the minimum requirement and was declared as the bidder who submitted the Lowest Calculated Bid and was subjected for Post-Qualification.

Whereas, per post-qualification of the TWG of all the submitted documents of **A.M. Ayunan Construction** it was found out that the latter was post-disqualified due to non-compliance of the following specifications:

Requirements / Conditions	Findings
Statement of All On-Going Government and Private Contracts, including contracts awarded but not yet started OR Statement identifying Single Largest Completed Contracts similar to the item bid out with supporting documents.	On-going four (4) projects under DPWH 1 <sup>st</sup> District Engineering, Kidapawan City with more than 15% negative slippage.

Whereas, Section 34.6, Rule X of RA 9184 states that *"Immediately after the BAC has notified the first bidder of its post-disqualification, and notwithstanding any pending request for reconsideration thereof, the BAC shall initiate and complete the same post-qualification process on the bidder with the second Lowest Calculated/Highest Rated Bid. If the second bidder passes the post-qualification, and provided that the request for reconsideration of the first bidder has been denied, the second bidder shall be post-qualified as the bidder with the Lowest Calculated Responsive Bid/Highest Rated Responsive Bid."*

Whereas, the Bids and Awards Committee (BAC) immediately notified **A.M. Ayunan Construction** in writing dated February 11, 2016 of its post-disqualification and the grounds for it supported by a report on its negative slippage from DPWH 1<sup>st</sup> District Engineering which was received by the latter last March 2, 2016.

Whereas, a motion for reconsideration was filed by **A.M. Ayunan Construction** on March 3, 2016. However, the BAC finds its contention without merit, therefore, the motion for reconsideration was denied. Thus, the BAC initiated and completed the same qualification process on the bidder with the second **Lowest Calculated Bid** which was **Tri-vert Construction & Supply**.

Whereas, after thorough deliberation of the Bids and Awards Committee (BAC) and the Technical Working Group (TWG), the bid submitted by **Tri-vert Construction & Supply** in the amount of **Five Million Eleven Thousand Three Hundred Forty Pesos (Php5,011,340.00)** met the minimum requirements and was determined as the **Lowest Calculated Bid**. Therefore, subjected for Post-Qualification;

Whereas, per post-qualification of all the submitted documents of **Tri-vert Construction & Supply** it was determined that the latter was technically, legally and financially eligible and its bid was declared as **Lowest Calculated Responsive Bid**;

Whereas, Section 34.4 Rule X of RA 9184 states that *"If the BAC determines that the bidder with the Lowest Calculated Bid/Highest Rated Bid passes all criteria for post-qualification, it shall declare the said bid as the Lowest Calculated Responsive Bid/Highest Rated Responsive Bid, and recommend to the Head of the Procuring Entity the award of contract to the said bidder at its submitted bid price or its calculated bid price, whichever is lower..... xxx"*

Whereas, the bid amount submitted by **CEK Construction & Water Supply** which is advantageous to the government is **Two Million Eight Hundred Fifty-Three Thousand Eight Hundred Twelve Pesos and 30/100 (Php2,853,812.30)**;

WHEREFORE, premises considered, it is hereby resolved to recommend to the Head of the Procuring Entity (HOPE) that the **Construction of Pinamulaan Diversion Dam** in the amount of **Five Million Eleven Thousand Three Hundred Forty Pesos (Php5,011,340.00)** be awarded to **Tri-vert Construction & Supply** being the bidder with the **Lowest Calculated Responsive Bid**.
